Application Number: MST2010-00338
Owner: City of Santa Barbara
Architect: DeVicente Mills Architecture
Designer: Henry Lenny Design Studio

(This is a revised project description: Proposed enhancement to Paseo Nuevo: Phase 1 of the project includes a concept review of benches, tables, chairs, pottery, umbrellas, new ribbon flag pole element, and modifications to existing lighting plan. Phase 2 of the project is the redesign of the center court and north court. This phase includes benches and new fountain feature in center court, demolition of two arches and circular colonnade, new paving and site wall in north court.)

(Second review of Phase II improvements. Phase I received final approval on August 31, 2011. Project was last reviewed on October 12, 2011. Action may be taken if sufficient information is provided.)

Present: Henry Lenny and Ryan Mills, Architects

Public hearing opened at 2:13 p.m.

Kellam de Forest, local resident, commented on the proposed column and use of columns for commemoration.

Public comment closed at 2:14 p.m.

Motion: Project Design Approval and continued indefinitely with the following comments:

1. The profile of the proposed benches is acceptable.
2. Removal of the iron railings at the north court is appreciated.
3. Call out the finish and workmanship of all materials.
4. Provide drainage of the bench.
5. The details of the column fountain will be very important.
6. The proportions of the column height and width are appropriate according to Palladian calculations.
7. Study the height of the pool surround.
8. Continue to study the terminus of the benches so they do not compete with the base of the fountain column.

Action: La Voie/Sharpe, 8/0/0. (Orías absent.) Motion carried.
